

Pre-Call Research Checklist

Complete Preparation for Every Stage of the Sales Mastery Model

STAGE 1: DISCOVERY PREPARATION

Before learning about their needs and operations, research:

- ☐ Facility ownership, size, and current patient census
- ☐ CMS quality ratings and recent inspection results
- ☐ Current hospice partnerships and competitors in the area
- ☐ Recent news, awards, or community involvement
- ☐ Key decision-makers and their LinkedIn profiles
- ☐ Organizational structure and reporting relationships

STAGE 2: CONNECTING PREPARATION

Before learning individual needs of your contact, prepare:

- ☐ Personal background and career history of your contact
- ☐ Their specific role in the referral decision process
- ☐ Professional challenges they may be facing
- ☐ Mutual connections or shared professional interests
- ☐ Questions about their individual perspective on patient care
- ☐ Common ground topics for relationship building

STAGE 3: GUIDING PREPARATION

Before aligning needs to your features and benefits, have ready:

- ☐ Case studies relevant to their specific situation
- ☐ Data points that address their stated challenges
- ☐ Comparison of your approach vs. their current process
- ☐ ROI calculations and outcome improvement metrics
- ☐ References from similar facilities you can provide
- ☐ Customized presentation materials for their needs

STAGE 4: COMMITMENT PREPARATION

Before asking for the business, confirm:

- ☐ All decision-makers have been engaged and bought in
- ☐ Key objections have been fully addressed
- ☐ Implementation timeline is clearly understood
- ☐ Contract or agreement documents are ready
- ☐ Onboarding plan is prepared to present
- ☐ Next steps after commitment are clearly defined

SPARTAN DISCIPLINE

Never advance to the next stage until you have genuinely completed the current one. Rushing through stages leads to lost deals and wasted effort.
