HOSPICE SALES EXCELLENCE

Cold Call Opening Script

THE 30-SECOND OPENING

"Hi [Name], this is [Your Name] with [Company]. I know you're busy, so I'll be brief. We work with facilities like yours to improve patient outcomes and family satisfaction by connecting eligible patients with specialized hospice care earlier in their journey. Do you have 30 seconds?"

THREE PILLARS OF THE SPARTAN METHOD:

1. DISCIPLINE - Consistent, structured approach to every call
2. EMPATHY - Understand their challenges and constraints
3. STRATEGY - Position hospice as enabling better outcomes

Discovery Questions That Uncover Need:

1. "How many patients in your facility would you say are appropriate for hospice?"
2. "What's your current referral process when a patient becomes appropriate?"
3. "Who else is involved in those decisions with you?"
4. "What's the biggest challenge you face with timely referrals?"

Spartan Objection Handling:

Already have partner:

"I respect that. Many facilities work with multiple partners for better outcomes. Would you be open to discussing how we differ?"

Not interested:

"Many facilities miss eligible patients. Could I send a quick assessment? Takes 5 minutes to review."

No time:

"That's why I'm calling—to save you time. Can we schedule 15 minutes next week?"
